

IN THE SPECIFICATION:

Please amend the second full paragraph on page 24 between lines 14-18 as follows:

As an alternative, or in addition, to the hanger-like supports 6 and 26, it is also possible to hang, in the conveying belt 3, a steaming dummy and/or a clamping and/or tensioning configuration and/or bearing device 27, through which compressed air is directed into the interior of the laundry 5.
